

## Iowa's Dairy Story Dairy Farm Tour Lesson

### **Objectives:**

1. Students will see where their dairy products come from.
2. Students will see how animals are raised and what they are fed as they grow.
3. Students will apply what learned during the other dairy lessons.
4. Students will apply terminology to the animals and other parts of the dairy farm.

### **Iowa Core Curriculum Met:**

#### Science Standard

- Content Standards: Students can understand concepts and relationships in life science.

**Duration:** Approx. 30 minutes

### **Teaching the Lesson:**

Schools are invited to virtually tour the dairy farm at Iowa's Dairy Center. Students will be able to meet the dairy farm's cows and calves, watch robots milk cows, learn where a cow lives and more. The tour is interactive and students will have the opportunity to ask questions throughout. Tours will be offered through Zoom. To schedule a Zoom tour with your class, please contact Mariah Busta at [bustam@nicc.edu](mailto:bustam@nicc.edu) or (563) 534-9957, ext. 8107.
